

# St. Mark's Catholic Primary School

Headteacher Mrs. D. Linley

Friday 11<sup>th</sup> June 2021

Dear Parents and carers,

I hope you all had an enjoyable half term holiday in the sunshine. It was wonderful to welcome children back to school this week and see so many children looking smartly dressed in their school uniform. We have reverted back to our uniform policy so please, please ensure your child is appropriately dressed for school. Your support is much appreciated.

## Pupil Voice Groups

### Anti-bullying Ambassadors

This week, we have started back up our pupil voice groups in school who are crucial in helping us in the work we do. Mrs. Smalling has worked with our anti-bullying ambassadors.

Every break and lunchtime our anti-bullying ambassadors are visible on the playground as they will be wearing an orange hat so any child who is not having a happy playtime can speak to their anti-bullying ambassador and they will help find a solution with some help from an adult.

### Rosary Group

Mrs. O'Shea will be starting up Rosary group from next week and this will be taking place of a break time on Tuesdays and Thursdays in our school prayer garden.

### Junior PCSO's

Our Junior PCSO's from Year 6 have spoken to our Year 4 class this week about their role. I hope there will be lots of applicants for Junior PCSO's in Year 4 as this is a very important role in our community. Mrs. Nellist and Mrs. Small will be out in force with our new PCSO's next Wednesday so please support the cause and park in a safe place! In addition to the Junior PCSO's being out in force, we also have a new sign outside the school gates on Kingsdown Avenue. Please let this be a reminder that AT ALL TIMES we should be keeping the area outside the school gates on Kingsdown Avenue as safe as possible for our children.

### Eco-buddies

Mrs. Nellist is working with our eco-buddies to help our school become more eco-friendly. You can help us by providing your child with a plastic water bottle that can be re-used, so we are not having to throw plastic bottles away on a regular basis.

A big thank you to all of our children, your voice and your opinions matter and we appreciate your feedback because it makes a difference to practice in school, so keep your ideas coming! 😊

Have a lovely weekend,  
Mrs. Linley and the St. Mark's Team

# WINDRUSH DAY 2021

On **Tuesday 22nd June**, St. Mark's we will all be celebrating Windrush Day 2021. The day honours the British Caribbean community, and the half a million people who travelled to the UK after the Second World War.

Children are invited to wear clothes from the Caribbean culture/ brightly coloured clothes and bring **£1** to raise money to provide the children with activities to teach them about the Windrush generation.

If anyone in our school community wishes to get involved with talking to the children, bringing in any artefacts, sharing stories/experiences or wants to get involved in anyway - please contact the school office! We look forward to hearing from you!

# Healthy Lifestyles

Promoting a healthy lifestyle at St. Mark's is crucial as we want to ensure that children live healthy and happy lives. Children's physical health is largely determined by what they eat and the activities that they undertake.

To educate our children on healthy lifestyles and engage them in healthy eating, Mrs. Beresford is giving Years 2, 3, 4 and 5 the opportunity to attend a healthy eating cookery class. At this class, the children will be able to taste a selection of healthy foods and also recognise why food labels are important. There are many foods that appear 'healthy' but contain a high amount of sugar.

This cookery class is free of charge and we would like as many children as possible to attend this.

Year 5's cookery class will be held on Monday 14<sup>th</sup> June

Year 4's cookery class will be held on Monday 21<sup>st</sup> June

Year 3's cookery class will be held on Monday 28<sup>th</sup> June

Year 2's cookery class will be held on Monday 5<sup>th</sup> July

Please email [enquiry@stmarkrc.bham.sch.uk](mailto:enquiry@stmarkrc.bham.sch.uk) to confirm your child's place at their cookery class by Monday 14<sup>th</sup> June. The class will be held from 3.15pm to 4.15pm. Please email school with any allergy concerns.

## School Photos!

The school photographer will be coming into school on Monday 14<sup>th</sup> June 2021 to take individual photos of the children so can we please ensure all children are in school and in their full school uniform.

Our Friends of St. Mark's had a meeting with Mrs. Linley on Monday this week and we are hopeful that we can organise and manage a Summer Fayre safely this year. The event will be held outside - all the stalls will be well distanced and situated around the perimeter of the school so parents and children will be able to walk around the school outside to access everything. Stalls will start at the front of the school, there will be some stalls by the prayer garden, by the Reception and Year 1 classrooms, on the Key Stage 1 and 2 playground and parents will be able to leave down the side of the school by the hub building where Helping Hands is situated.

Further information about what is expected at the Summer Fayre will be given out to you nearer the time (we are waiting to see what the Government announcements). If you are interested in running a stall (perhaps you started a lockdown hobby and have some crafts to sell?) To have a stall at our fayre, we request £20 and whatever you sell is yours to keep. This year we request that no hot food other than what the school kitchen will offer is sold. If you are interested in running a stall or you are able to help the other parents who volunteer to lead events like these - please contact Payal Gordhan or the school office and leave your details.

Events like the Summer Fayre are great ways for members of our community to come together, so any support offered will be greatly appreciated! 😊
