

St. Mark's Nature Scavenger Hunt

As Spring begins, nature starts to wake up. Can you find the following items in your back garden or when you go for a walk with your family?

Three different types of leaves

Daffodils

Bluebells

Two things that can fly

Find a feather

Find something that is yellow

Find a seed pod

Find a spider's web

Find a long stick

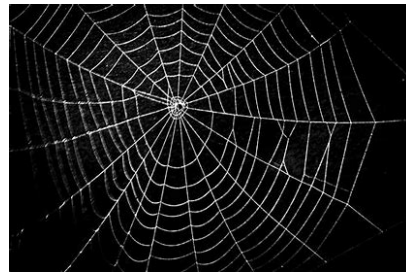

Find a dandelion wee, blow it and make a wish

Find daisies and make a chain with them

Find some bugs (remember to leave them where they are)

Find something that grows

A clover leaf

Challenge – Create your own scavenger hunt for others to follow and share a photo of it on the school's Twitter account.
