

Annual Report

2021/2022

An organisation built
on the **principles** of
Catholic Social Teaching

Welcome

from the **Central Team**

Welcome to this first edition of our Annual Report.

This document has been developed to provide all stakeholders with an overview of our work during 2021/22.

The academic year 2021/22 saw the return for the first time in two years of largely uninterrupted face to face teaching and learning in our schools.

Despite their being continued guidance in place surrounding absence and isolation periods relating to the pandemic, the workings of our schools began to resume.

Our MAC has continued to grow during this time and we welcomed three new schools and colleagues. We are now a thriving community of eight schools securing quality Catholic education across Dudley, Sandwell, Walsall and Birmingham.

We are blessed to have a strong supportive academy network, striving to achieve the very best for the children in our care.

This annual report is provided to give you a flavour of what together we are able to achieve, to celebrate the successes of our schools and the work that Directors, governors and leadership teams work so hard to achieve.

God bless.

THE CENTRAL TEAM

Welcome

from the Chair of Directors **Gaynor Rennicks**

Welcome to the Annual Report.

On behalf of the Directors I am privileged to be able to share my thoughts at the opening of this first annual report.

The past academic year saw many changes and challenges for all our community and certainly in terms of our evolving MAC.

The Board of Directors are a group of committed individuals who are dedicated to ensuring that the vision, ethos and strategic direction of the MAC is at the forefront of our decisions.

Those decisions are only possible because of the dedicated and hard-working group of people working in our organisation and the fruits of their labours should be celebrated throughout this report.

We were blessed to welcome St John Bosco, St Bernadette's and St Mark's Primary Schools in this academic year, which I know will only enrich our community and enhance our strategic direction.

I want to take this opportunity to acknowledge our successes and determination displayed to maintain an education for all our pupils, no matter under what guise.

Equally the care and support for families during the most difficult days of Covid, we must never forget that for many our schools provided a familiar routine which was so important in that unfamiliar time.

The Board are so very pleased to begin the next academic year with our stable family of schools.

Now is the time to look forward to ensuring that we provide a quality Catholic education for all our pupils, in all our schools and we will continue to work to ensure our role in doing so.

Gaynor Rennicks

CHAIR OF DIRECTORS

Mission, Vision & Values

Our Mission

We nurture the unique God-given talents of every individual, providing a quality, distinctively Catholic education to our diverse community.

Our Vision

- 1 We are ambitious for every child. We will achieve the best possible academic outcomes by challenging and supporting every child to achieve the best possible outcomes.
- 2 We respect and embrace the diversity of our school communities, cherishing and valuing all equally.
- 3 We are a family of schools who work collaboratively sharing our talents and resources for the benefit of all in pursuit of our shared sustainable future
- 4 Our staff and students will bring out the best in each other with high standards of accountability and leadership at all levels.
- 5 We prioritise the Catholic life of all of our schools, nurturing the faith and spiritual development of everyone as part of our Parish and Diocesan family.

Our Values

Our core values are inspired by Catholic Social teaching and are rooted in the person and the teaching of Jesus Christ as the model for human excellence. Our relationships and daily dealings with each other should be characterised by care for each other, compassion, trust and respect for the dignity and value of each individual stewardship of the earth, the responsibility we share for the just and sustainable use of all our talents and resources.

Solidarity and subsidiarity, a commitment to stand with each other in support of each other while enhancing the culture, identity and heritage of each parish and local community.

- St Joseph's new school kitchen
- Stuart Bathurst curriculum areas including a new Food Technology space

 **3240** pupils places

 **407** members of staff

8 schools

61 governors & directors

91% staff retention rate

Governance

Our members oversee the work of the Board of Directors to ensure that we are delivering and adhering to our Catholic mission, values and aims.

Our Directors are responsible for the strategic leadership and direction of the MAC, ensuring that it adheres to our agreed mission, values and aims as well as being accountable for driving educational standards and financial good practice. The Board meets six times a year while its two sub-committees meet once per term.

Local Governing Bodies oversee the running of the school in terms of the curriculum, safeguarding and the budget. They ensure that their school leadership team is held to account for academic performance, high quality education, quality of care and the Catholic life of the school.

Governor Focus

In November 2021, we held our first annual gathering of Governors. Current and prospective governors met to celebrate the final phase of the MAC growth strategy, and look to the year ahead.

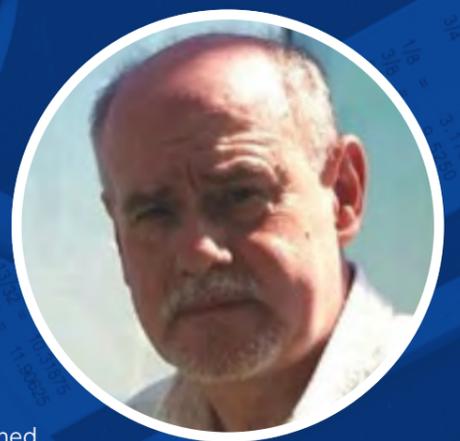

This marked the starting point for a new culture of governance across the MAC. As the limitations of COVID began to lift, now was the time to recruit new volunteers and ensure that every school had a dedicated local board, and bring our individual boards together with our Board of Directors to provide secure, good governance.

We started the academic year with 7 schools, and 29 governors and directors forming 3 Local Governing Boards and 2 Local Education Committees. Perseverance to recruit and induct new governors, whilst retaining and strengthening existing support meant that by the end of the year, each of our Primary schools had its own Local Governing Board in place and our Secondary Schools were governed by a strong Board, specially selected for their balance of knowledge, skills and experience.

Reflecting on 2021/22

Paul Piddock MAC Director

Paul is a retired Senior Local Government Manager. Having worked in a variety of Local Government settings over 25 years within both Primary and Secondary settings he was appointed Director of St John Bosco Multi Academy Company in September 2019.

The past year has seen some significant changes for me personally in my Director and Governance responsibilities.

At the start of the academic year, having had a 25-year association with St Mary's, I stepped down as Chair and resigned my term of office at the end of the calendar year. The Board at St Marys are challenging, dedicated, and tenacious in their responsibilities.

I continued to Chair on behalf of the Board of Directors the School Improvement Board at Stuart Bathurst which became later in the year the Joint Secondary Board of Bishop Milner and Stuart Bathurst.

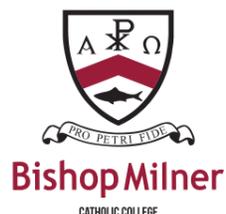

The MAC Central Team did excellent work in recruiting governors, and I'm convinced will do an excellent job. I'm still with the board for a little while as they get used to the challenging task of governance of two schools.

Paul Piddock

MAC DIRECTOR

Bishop Milner Catholic College

HIGHLIGHTS OF 2021-22

- Seven amazing Community Celebration Months for Black History, Anti-bullying, Holocaust Memorial, British Values, Living in the Wider World, Equality and Diversity and Around the World at Bishop Milner.

Catholic Life and Spirituality

In June our schools leaders and governors joined together in celebration and reflection as part of the Birmingham Diocese retreat day, Living with the heart of Christ.

Stuart Bathurst Catholic High School received its Section 48 Inspection in April 2022. The school was recognised as **Outstanding in all 3 categories and in all 9 sub-categories.**

Leaders within the school and the RE department were recognised for delivering **outstanding student outcomes** and **excellent provision of Religious Education across all Key Stages.**

All aspects of Catholic Life and Collective Worship and opportunities for student's faith, spiritual, moral, vocational and cultural development at Stuart Bathurst were highly praised and seen as inspirational for the students in their care.

The MAC journey so far...

SCHOOL DEVELOPMENT

- Support for SEND pupils and provision
- **395** pupils
- **59** pupils with Educational Health Care Plans
- Providing an inclusive education
- **837** pupils who are disadvantaged
- **665** pupils have English as an additional language
- **Leadership support** – enabling schools to develop and improve all 8 schools supported externally
- ECTs passing over last two years - **100% pass rate**

OPERATIONS

- Keeping our children and staff safe on our sites 3% incidents across the MAC
- Low staff turnover
- **91%** retention rate securing quality teaching in our schools
- Improved connectivity and computers for laptops and stations purchased

WORKING TOGETHER

- Improving learning in our schools actively seeking the voice of everyone
- **94%** of primary parents recommended our schools
- **98%** of primary and **80%** secondary parents say their child is happy at school
- Securing the future of Catholic education
- Charity and community support

IMPROVING COMMUNICATION FROM SCHOOLS AND THE MAC

- Newsletters
- Annual Report
- Websites
- Social Media

GOVERNANCE, COMPLIANCE AND COMMUNICATION

Providing each community with a local voice

61 Governors / trustees **407** Staff across the MAC **3240** Pupils in the MAC

EFFECTIVE GOVERNANCE

30
new governors and directors recruited

3
new local boards created

HOLDING OUR SCHOOLS AND LEADERS TO ACCOUNT

- **40** Local Governing Board meetings
- **15** Board of Director meetings

TRAINING & INDUCTION FOR GOVERNORS & DIRECTORS

- **70** Training sessions attended 2021/22
